

City of Troy

Bid Specifications for two New Zero turn mowers, mid-mount, rear discharge deck.

SECTION 1: NOTICE TO BIDDERS

The City of Troy, Illinois, will receive sealed bids for furnishing two new Zero turn mowers with mid mount rear discharge decks, for the Public Works Department until **May 25th, 2023 at 10 am**, at City Hall, 116 E. Market St, Troy, Illinois, 62294. Bids will be publicly opened and read at that time.

Proposal forms and bid specifications are available on-line at www.troyil.us.

All proposals must be made on the forms furnished by the City, and the entire set of documents submitted intact.

The City of Troy reserves the right to not open a sole bid and to waive, or not to waive, any irregularities in the bids and to determine which is the lowest and best bid for the work.

Proposals shall be delivered prior to the time and at the place indicated above. Each proposal shall be placed in a sealed envelope endorsed "PUBLIC WORKS DEPARTMENT ZERO TURN MOWERS". Only sealed proposals will be accepted. Questions may be directed to Robert Hancock, Public Works Director at (618) 667-4629 or rhancock@troyil.us

SECTION 2: PROPOSAL

Submitted by: _____

TO: The City of Troy, Illinois

Gentlemen:

In submitting this proposal, the undersigned declares that the only persons or parties interested in the proposal as principals are those named herein and that the proposal is made without collusion with any other person, firm or corporation.

The undersigned understands and agrees that if this proposal is accepted, he is to furnish and deliver all the items specified herein in accordance with the requirements herein stipulated, completely assembled for use, and within the time frame indicated below by the bidder.

The undersigned herewith submits his Schedule of Prices for furnishing and delivering said equipment per the stated delivery schedule. He further understands that all information requested on the Schedule of Prices be furnished or be subject to possible bid rejection for irregularities.

Warranty Periods:

Complete Unit: _____

GENERAL:

1. It is the intent of these specifications to describe a zero turn mower in sufficient detail to secure quotes on comparable equipment. All parts not specifically mentioned, which are necessary to provide a complete and operational zero turn mower, shall be included in the bid and shall conform in strength and quality of material and workmanship to what is usually provided to the trade in general.
2. The unit shall be equipped with all standard equipment as specified by the manufacturer for this model, and shall comply with all EPA emissions standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

WARRANTY/REPAIR/PARTS AND SERVICE:

1. Since the continuous operation of this equipment is of the utmost importance and sometimes of an emergency nature, it is necessary that the selected company be in position to render prompt parts and service. The selected company shall be able to provide warranty service and maintain and/or have access to parts inventory within 50 miles of Troy, IL. Said parts inventory shall be of sufficient size and variety to offer a level of parts availability 95% within 48 hours from time of order by the customer. Availability of normal maintenance items shall not exceed 24 hours. Quotes shall include proposed program for parts and service availability, which will be used in determination of proposal.
