

ROAD CONSTRUCTION NOTICE

Sugarmill Rd/Ivy Ct Intersection

Sugarmill Rd/Ivy Ct. reconstruction will begin on or about October 5, 2023.

- Stage 1 of this project includes complete removal and replacement in the Southbound lane of Sugarmill Rd. See attached map.
- Stage 2 of this project includes complete removal and replacement in the northbound lane of Sugarmill Rd and the west bound lane of Ivy Ct.
- Stage 3 of this project includes complete removal and replacement in the northbound lane of Sugarmill Rd and east bound lane of Ivy Ct.
- During each stage, residents in the construction stage will need to park in the street. You will not be able to use your driveway.
- Expect some traffic delays while concrete trucks off load material.
- The project is expected to be substantially completed in seven weeks, weather permitting.

The City of Troy appreciates your cooperation during this improvement project.

Respectfully,

Robert Hancock
Director of Public Works
