

Staunton Road Improvements – Phase 2

Stage 1 Detour Route

Construction on Staunton Road is scheduled to begin on June 17, 2024. Stage 1 of the improvements will take place along Staunton Road from Old County Highway 21 to just north of Oakland Drive.

During construction, Staunton Road will be closed to thru traffic. There will be a marked detour route using Old County Highway 21.

Stage 2 will follow immediately after the completion of Stage 1. A revised detour route will be issued at that time.

The project is anticipated to be completed by November, 2024.
