

PUBLIC NOTICE: FULL ROAD CLOSURE

Country Lane at Troy-O'Fallon Road Intersection **Closure Dates: July 31- Aug 3, 2025**

Please be advised approximately 300' of **Country Lane will be fully closed beginning at the intersection of Troy-O'Fallon Road from Thursday, July 31 through Sunday, August 3**, to allow for necessary reconstruction work.

Detour Route:

Residents within the closure and motorist traveling east of Troy Road on Country Lane are advised to **take Country Lane east to Bauer Road**, then **head north on Bauer Road to access Highway 40**.

We **kindly request the forbearance and understanding of all residents and motorists** during this time. The work is essential for improving roadway safety and keeping disturbances to the **shortest duration possible**.

For brief durations during daily operations, residents within the closure **may experience temporary loss of access** to their driveways as there will be greater than a **1' drop in elevation** to reconstruct the new pavement. We ask for your **patience and safe driving** through the construction zone as there will be many pieces of **equipment and personnel in all areas of the closure**.

Parking vehicles outside the closure may be the most efficient way to be able to come and go **without delay**.

For any concerns or additional information, please contact **The Kilian Corporation** at **(618) 566-2000**.

Thank you for your patience and cooperation.
