

NOTICE TO RESIDENTS OF CONSTRUCTION ACTIVITIES

On Monday, November 17, 2025 construction activities will begin on concrete curb and gutter and driveway pavement improvements. Asphalt paving will follow as weather allows. Construction is expected to last through the end of the year. During this time, driveway access may be limited, but available by end of business day. Emergency vehicles will have access at all times. Should you have any questions, please call our office at the number above. We appreciate your patience and cooperation during this construction process.
