

## WINTER STORM WARNING

Friday, January 23, 2026

...WINTER STORM WARNING REMAINS IN EFFECT FROM MIDNIGHT TONIGHT TO 6 PM CST SUNDAY...

- \* WHAT...Heavy snow expected. Total snow accumulations between 5 and 10 inches with locally higher amounts possible.
- \* WHERE...Portions of south central and southwest Illinois and central, east central, and southeast Missouri.
- \* WHEN...From midnight tonight to 6 PM CST Sunday.
- \* IMPACTS...Travel could be very difficult to impossible.

The City of Troy has approximately 58 miles of roads & 80 cul-de-sacs to maintain during a snow and ice event. Within the City of Troy, some roads and highways are plowed by the State of Illinois, Madison County, or township crews. The City has no jurisdiction over those streets. It takes our Public Works Department 3-4 hours to salt the entire City. Plowing begins with the designated snow routes during the storm. Once it stops snowing, it takes Approximately 10-12 hours to plow every street.

**Please do not park on the street so the plow trucks can plow the entire street. By ordinance, parking on designated snow routes is prohibited during snow events over two inches. Stay home and give our Public Works Department time to clear the streets as quickly and safely as conditions allow.**

The Public Works Staff appreciates your patience and understanding while we clear the roads for our first responders and residents.

Respectfully,

Rob Hancock  
Director of Public Works

## Designated Snow Routes

Ashbrooke	Frontage Rd	Plummer Business Dr
Austin Dr	Gawain Dr	Quail Lake Dr
Avalon Dr	George Bush Blvd	Quail Run
