

Project Beacon
A Cloverleaf Infrastructure Project

Please Join Us!

Cloverleaf is hosting a live question and answer session for Project Beacon, the data center under development in the City of Troy.

During the Q&A, project representatives and subject matter experts will sit on a panel and answer project-related questions in a large group setting.

Meeting Agenda

- 6 pm: Meeting begins
- 6:15 pm: Project update
- 6:30 pm: Q&A session

Meeting Details

- Tuesday, February 10, 2026, at 6 pm
- Triad High School auditorium, 703 US-40 in Troy

To accommodate all attendees, we will have a sign-in sheet for those who wish to address the panel directly as well as comment cards and pens for those who prefer to submit questions in writing. A panel moderator will collect the written questions and direct them to the correct project representative during the Q&A session. If you would like to submit questions over email prior to the event, they may be sent to Erin Szalkowski at erin@innovantpr.com.

So that we may answer as many questions as possible, we respectfully request the following:

- Please address the panel in the form of a question
- Please speak one at a time so everyone can hear the questions and answers
- Please use respectful language
- Once your questions have been addressed, please return to your seat so the next speaker can have the floor
